Third-Party Fundraising Events Policies

Third-Party Fundraising Events are a very important component of the fundraising activities of CCC. These events help generate much needed funds and awareness about CCC programs and bring new support to our organization.

In order for Third-Party Fundraising Events to have a positive impact on Colorectal Cancer Canada's public image, the following policies must be followed:

1. CCC logos are registered trademarks; unauthorized use is prohibited. All materials bearing the Colorectal Cancer Canada name and/or Proud Supporter Logo must be submitted to the CCC office prior to printing.
2. All event advertising must clearly indicate the exact portions of proceeds to be donated to Colorectal Cancer Canada.
3. Official tax receipts will only be issued in accordance with CRA guidelines. The final decision to issue official tax receipts rests with Colorectal Cancer Canada.
4. Event expenses may not be paid from tax-receiptable donations. All donations requiring a tax receipt must be received in full by Colorectal Cancer Canada.
5. If there is to be any gaming activities at your event (i.e. raffle, bingo or 50/50 draw), a gaming license is required by law. The licensing process may take up to 10 days to complete. Please contact your local Gaming Office at 1.800.663.7867 to discuss your gaming proposal prior to applying.
6. Colorectal Cancer Canada does not approve the following types of fundraising:
 - Programs that involve professional fundraisers, telemarketing and/or an agreement to raise funds on a commission, bonus or percentage basis (with the exception of cause-related marketing programs developed with corporate partners).
 - Third-party fundraising aligned with a corporation whose mission is in conflict with our organizational priorities. Specific industries in question include tobacco; alcohol; food; pharmaceutical, biotech, and medical devices and equipment; complementary and alternative medicines/therapies; personal cancer screening and testing products; pesticides and herbicides; and artificial tanning (UV).
7. Colorectal Cancer Canada's special event insurance policy does not extend to this event. Independent fundraisers are required to arrange for appropriate insurance coverage for the event. By accepting the terms and conditions set forth in this application, the event organizer clearly understands that they are accepting responsibility for claims that may arise as a result of their event.
